book marks reviews of uncanny valley a  
memoir by anna wiener

june 2nd, 2020 - but without the frisson of shame uncanny valley would be a pletely different

book and not nearly as good this story isn t about the history of the region or labor in the tech

industry it s a self conscious account of how it feels to climb up near the top of the barrel where

you occasionally lose sight of what it s like for the crabs down below
